PAME Solidarity with the workers of the Czech Republic

PAME expresses its solidarity with the workers of the Czech Republic and the Trade Union Association of Bohemia, Moravia & Silesia's, who declared strike against anti workers' reforms of the Government.

Specifically, the workers of Czech Republic denounce the pending amendment to the Labour Code, in particular the attempt to legalize child labour from the age of 14, and the introduction of dismissal from work without giving reasons.

Against the antiworkers plans of EU-Governments-Employers the workers can respond with organization and class struggle.
